Slipeze

SLIPEZE

Non-staining release agent for concrete.

DESCPTION:

SLIPEZE is a ready to use, effective, high performance release compound. **SLIPEZE** works equally well on forms made of wood, laminate, fiberglass, steel, or concrete.

SLIPEZE is versatile and easy to apply by spray, roller, brush or lambswool applicator. **SLIPEZE** will act as a rust inhibitor on steel forms and concrete is easily released from the forms.
